

## Explanation for the calligraphic contents written on a folding fan

根深葉茂 : The tree having its roots fastened deep into the soil can become a leaf-heavy tree, that is, basic medical sciences are more important to achieve the brilliant progresses in the field of medicine. I wrote this calligraphic work using a special type (草書體) among 5 letter types (篆書體, 隸書體, 楷書體, 行書體, 草書體).

The small letters written on the left side, “丙申年夏 愚巖 金基煥” written using a special letter type “行草書體” mean “Summer in 2016 written by Woo Ahm, Kim Ki Whan
